Dear Ms. Schwebke:

As requested, I am sending you the information we had discussed over the phone earlier this week. All of the enclosed information is relative to "Site Q" or the "Sauget Landfill". It includes 103(c) forms, responses to an IEPA 104(e) request from Eagle Marine/Riverport Fleeting (the current property owner) and Browning-Ferris Industries (a generator), and other related PRP information. Background for a past State enforcement case against Sauget & Company is also provided.

In reference to your request for local union contacts, IEPA has had communications with the International Union of Operating Engineers. Though I am unable to recall the contact person, their address is:

International Union of Operating Engineers, Local 520  
520 Engineers Road  
Granite City, Illinois 62040

Phone: (618) 931-0500

If you have questions or concerns about the enclosures, please do not hesitate to call.

Sincerely,

Paul E. Takács, Project Manager
